Instructions:

Read all instructions before beginning your project.

Choose Woodsies® shapes that you would like to work with and create a design of your choice. Shapes can be combined to make things like flowers and fish, or stacked for added dimension.

Totebag:

1. Glue Woodsies® onto tote and let dry.
2. Embellish as desired with markers, glitter glue, rhinestones, wiggle eyes, etc.

Keychain:

1. Have an adult drill a hole in the first letter before gluing.
2. Glue letters together by overlapping and add additional shapes and embellishments as desired.
